**Fireman's Association of the State of Pennsylvania**  
**King of Prussia, Pennsylvania**

Dear friend,

During the period of September 23 – 26, 2009, the King of Prussia Volunteer Fire Company will be hosting the 2009 Annual Convention of the Fireman's Association of the State of Pennsylvania. This will bring some 1,000 attendees to the conference and convention activities at the Crowne Plaza Hotel and some 20,000 visitors to the annual parade, to be held on Saturday September 26, 2009.

An ad-book is being prepared to both provide attendees with information about the convention and regarding neighboring businesses that they can support, or who support the emergency service community. A copy will be provided to you after the conference, for your review and reference.

As the local emergency service provider to the King of Prussia area, we are pleased to be available as a 100% volunteer organization, the only all-volunteer fire company in the country, accredited to provide emergency response service. Your contribution will not only promote your activities, but support our organization.

Thank you for considering our request and we look forward to your participation in our 2009 convention book. For those of you who also have provided ads in our annual awards banquet book, if you are interested in doing so again for 2009, we will provide a "two-for-one" opportunity.

The officers and members of the King of Prussia Volunteer Fire Company thank you for your support.

William F. Jenaway, Ph.D.  
Convention Chair  
KPVFC President
